### **CANCELLATION POLICIES**

Eastside Chiropractic, P.C. imposes the following late cancellation and no-show fees. A bill will be sent.

- A no-show for a chiropractic appointment incurs a \$25 fee
- A no-show is defined as missing an appointment with no communication prior to the appointment time with the staff of Eastside Chiropractic.
- A chiropractic appointment cancelled less than 8 hours in advance will be considered a no show.
  
- A no-show for a massage patient is a \$70 fee
- A massage appointment cancelled less than 24 hours in advance will also be considered a no show and incur a fee
- While massage appointments are made by the front desk, decisions regarding the massage cancellation fees are set and imposed by the massage therapist.
  
- Appointments are ultimately the patient's responsibility. All reminders are a courtesy and do not absolve the patient of fees as a result of no shows or late cancellations.
- If the patient has purchased a package (massage or adjustment), and a no-show occurs based on the defined parameters above, the amount of one visit (massage or adjustment) will be deducted from the package if the no show fee payment is declined.
